

ANNEXES

- 1. BNC Experimental Report:** *Determination of thermal equivalent neutron fluxes along the neutron guides at BNC (2002)*
- 2. BNC Experimental Report:** *Non-destructive determination of $^{235}\text{U}/^{238}\text{U}$ isotope ratio by PGAA (1999)*
- 3. AEKI article:** Realistic neutron spectra for radiation protection and other applications at AERI, Budapest (2002)
- 4. BNC Experimental Report:** *Neutron flux measurements in reactor channels used for radiation damage studies (1999)*
- 5. ATOMKI article:** *Improvement of the dosimetric properties of chemical-vapor deposited diamond films by neutron irradiation (2002)*
